Hydrating Probiotic Facial

Experience deep hydration and a radiant glow with our Aspect Hydrating Facial—suitable for both men and women and perfect for sensitive skin types. This gentle treatment harnesses the power of probiotics to help strengthen the skin's natural barrier

target your specific concerns, such as dehydration, pigmentation, dullness, redness, blemishes, oil control, and more.

A beautiful entry point into Aspect's active skincare range, this facial leaves your skin feeling nourished, balanced, and visibly refreshed.

Enhance your results with optional add-on treatments such as Lactobotanical Peel 30%. additional **\$50**

\$165

Pigment Peel

Restore clarity and radiance with our Pigment Peel, specially formulated for dull, uneven, and ageing skin. Powered by Salicylic Acid and Tyrostat-11™, this advanced treatment targets dark spots and pigmentation while delivering a deep exfoliation to refine skin texture. The brightening benefits of Vitamin C work to visibly improve uneven skin tone, revealing a smoother, more luminous complexion.

Perfect for those seeking to reduce pigmentation and achieve a radiant, youthful glow.

\$150

Triple Action Peel

A powerful, multi-action resurfacing treatment suitable for all skin types.

This advanced peel targets multiple skin concerns in one treatment—helping to smooth fine lines and wrinkles, reduce pigmentation, and restore radiance. By accelerating cell renewal and gently resurfacing the skin, it leaves the complexion noticeably brighter, clearer, and more youthful.

An ideal choice for those seeking total skin rejuvenation with minimal downtime.

\$180

Lactobotanical Peel

This advanced clinical peel combines chirally correct L-lactic acid with patented Canadian Willowherb™ extract to deliver intense hydration and visible skin refinement. Ideal for dry, dehydrated, or sensitive skin types, it works to plump and smooth the complexion while addressing concerns such as dullness, uneven texture, and barrier impairment—leaving the skin calm, refreshed, and revitalised.

\$120

Skin Needling

Collagen induction therapy (CIT), lifts, and rejuvenates the skins. Reducing fine lines, wrinkles, acne scarring, pigmentation, and enlarged pores,

50 min \$250

Hydro/microdermabrasion

Experience the rejuvenating effects of wet/dry microdermabrasion, a non-invasive skin exfoliation treatment that removes dead skin cells, whilst infusing hydrating targeted serums, revealing smoother, more radiant skin.

\$145

LED Light Therapy

A non-invasive, rejuvenating treatment that harnesses the power of advanced LED technology to stimulate cellular renewal and repair. Tailored light wavelengths target specific skin concerns—reducing inflammation, boosting collagen production, calming acne, and enhancing overall radiance. This deeply relaxing therapy is suitable for all skin types and can be enjoyed as a stand-alone treatment or added to any facial for optimal skin health and glow.

Stand alone treatment \$95
